Professional Summary

Information Technology student with practical experience in software development and web technologies. Proficient in developing responsive and user-friendly applications using modern frameworks like Flutter and Firebase. Adept at solving technical challenges and delivering high-quality projects within deadlines. Seeking an entry-level software development role to contribute to innovative technology solutions.

Project Experience

Banquet Hall Booking App

- Designed and developed a feature-rich mobile application for banquet hall reservations using Flutter and Firebase.
- **Challenge:** Ensuring real-time booking availability and seamless payment integration for users.
- **Solution:** Implemented Firebase Realtime Database for live updates and integrated Razorpay for secure online payments.
- Features: Real-time availability checking, user authentication, and an intuitive user interface.

Flutter Firebase E-commerce App

- Built a comprehensive e-commerce mobile application using Flutter and Firebase.
- **Challenge:** Managing large-scale product listings and ensuring smooth cart management for users.
- **Solution:** Enhanced backend efficiency with Firebase Realtime Database and optimized API calls for fast performance.
- Features: Product listing, shopping cart, order management, and user-friendly navigation.

Restaurant Website Development

- Developed a responsive and interactive website for a restaurant using HTML, CSS, and JavaScript.
- **Challenge:** Providing a visually appealing layout while ensuring fast load times.
- **Solution:** Used modern CSS frameworks and optimized images for better performance.
- Highlights: Showcased menu, location, and contact details with user-friendly navigation.

Technical Skills

Languages: C, C++, Java, HTML, CSS, JavaScript, Dart

Frameworks: Flutter, React

Tools: Firebase, Git

Education

Bachelor of Technology in Computer Science and Engineering

Sarala Birla University, Ranchi

Senior Secondary (PCM)

Oxford Public School, Ranchi
